

KIDS CHURCH

LITTLE SAINTS HOST

What:

Little Saints is our 'stay and play' creche for ages 0-3 years old and - during this transitional time - those who aren't yet in Reception. We believe that Jesus wants to build friendships with our youngest members, so we invite the Holy Spirit into this space as much as we do our other groups! All our Little Saints will be with a parent or carer throughout.

When:

We'd ask you to be there at least 15 minutes before the start of the service and for 15 minutes (or as long as it takes to tidy up) at the end.

What happens:

- setting up (getting out toys, etc.)
- welcoming
- making a note of those that are there
- leading a story and/or song, and prayer
- tidying up

Time Commitment:

Could you be a Little Saints host for one of these 5 Sundays?

We would like to have a Little Saints host for our 9.15 and 11am services. Some may be able to cover both - to be on site from 9 until 12.30. Others may be able to do just one.

Safe-guarding Commitment

We ask everyone who works with children at All Saints to have a DBS check and to undertake our safeguarding training. First-time training includes two, straightforward online modules, which you can do in your own time (roughly an hour each. Those doing refresher training just need to complete one module). If you haven't already completed this, we'll ask you to do so before your session.
