8 - 10 MAY

Jesus called it the first and greatest commandment - to love the Lord our God with all our heart, soul, mind and strength. We were made to know God's love and to live out God's love. Our Weekend @ Home on 8th - 10th May is going to be all about exploring this love, receiving it for ourselves and learning how to love the Lord in return. At all the main sessions we'll make space for worship, ministry and teaching from Mark, with youth and kids streams running concurrently. Saturday afternoon will explore God's love in lots of different ways; creatively, energetically, prayerfully and practically! And then Saturday evening we'll party together with a fun quiz for all ages and a silent disco. On the Sunday morning we'll finish our weekend with an all age service with baptisms, thanksgiving and testimonies of what the Lord has done - it's going to be epic!

We're delighted to be joined by some special guests. Rev Mark Thomas is the minister at Christchurch Swansea and a great friend of Greg's. He's going to be teaching at each of our 4 sessions.

And the legendary Noel Robinson will be joining us on Friday night and Sunday morning to lead us in worship - not to be missed!

It will help us plan well for the weekend if we know how many people to expect so we'd love you to book in online, or via the Connect Desk on the next few Sundays.

Paying a ticket price will help us to cover costs of food and entertainment. We do not want the cost to prevent anyone from coming so please be aware that there are free places available too. There's also a bursary fund you can donate into.

Teams & Serving

In order to make the weekend work we're going to need plenty of help. If you could join teams for BBQing, tea & coffee, prayer, kids, youth, supervising the bouncy castle or simply helping clear up and set up across the weekend please let one of the staff team know or email weekend@allsaintspeckham.org.uk

Kids Programme:

Over the weekend we want our youngest saints to experience as much of God's love as we can possibly share with them! The blue room will operate as a baby & toddler playzone with a live link up to the main talks. The kids stream will feature groups for 3 year olds up to Year 6 primary school with worship, games, Bible time and play on our bouncy castle! Pre-booking children is essential! Throughout the afternoon some of the breakout sessions are family friendly and we hope some of our older kids will be able to stay for the Quiz and Games Night.

Youth Programme:

Our young people will get to experience both joining in with adult sessions and having their own tailor made sessions. The marquee will be their hangout zone for the weekend and we can't wait to see them bust some moves at the silent disco!

Prayer Room:

Throughout the weekend the Chapel will be a place dedicated to prayer. Set up with different prayer prompts, you can go at any time to have some time with God. Prayer ministry will also be available in church during and after the main sessions.

Hangout on Site:

We hope, as much as possible, to replicate our church weekends away by catching up with each other in those in between moments too. We'd love to have you spend the whole day on site on Saturday and there'll be various activities to do in the gardens and spaces throughout the weekend.
