Church Plant Workshop

We are planning two 'workshops' in the coming months around our plans and hopes and dreams to plant a church from All Saints. We'd love for us to be putting our heads and hearts together to see what God might be putting on them for his church.

We're holding one on a Saturday morning, Saturday 16 February, and one on a Thursday evening, Thursday 28 February.

The Saturday morning will include things which are accessible for children to join in with and so families are most welcome to come together.
