CAN YOU HELP?

Do you know what we have at All Saints for our youth?

Each week, on a Tuesday, Thursday and Sunday, we have groups for our young people to come to, to equip them to live out their faith day to day, to grow in their understanding and love of God and to grow in the community of All Saints Peckham.

We'd LOVE to have more people help us with these groups, to feed into the lives of our young people. "One generation commends your works to another; they tell of your mighty acts." Psalm 145:4.

LOOKING AHEAD

Site Redevelopment Sunday | March 3.

What happened to the site redevelopment? What is a site redevelopment? Why do we need one? On Sunday March 3 we want to hear from God and start to answer these, and other such questions as we re-launch our site redevelopment. The Sunday will be followed by other sessions beginning on Sunday 10th March at 13:00 and then Wednesday 20th March at 19:00, these sessions are open to everyone to ask questions and make comments.

96 Hours of Prayer | Wednesday 6 - Sunday 10 March.

Once again we'll be giving 96 hours of our time to be in continuous prayer. This term we'll be doing this in March at the beginning of Lent. Put the dates in your diary.

Lent Course | Beginning with an Ash Wednesday service, 6 March, 8pm.

Each Wednesday evening in Lent, this course will invite us to explore and practise what it is to be reconciled to God, and to be agents of God's reconciling work in our community and world. It's practical, challenging and thought-provoking and comes with a health warning - you could find yourself radically changed!

Food For Thought | Saturday 23 March, 9.45am for coffee and pastries 10am start.

Artificial Intelligence (AI) is already a part of our world, for most of us, this is a mysterious domain of algorithms and mass data. But what does the future really hold? Is Alexa going to take my job? Could Siri become conscious? Are robots going to take over the world? Does AI tell us anything about what it means to be human? Or to be wise?
