

KIDS CHURCH

TORCHES CO-LEADER

What:

Torches will start in the hall with the Kids Church crew for worship . They'll then head to the Red Shed for the message, geared to their age, with a game, a response and prayer. We'll be following the same themes as everyone in the church building, so that we can grow in what we learn, together.

When:

We'd ask you to be there 30 minutes before the start of the service to familiarise yourself with what your group will be doing, ask any questions, and pray with others and for 15 minutes (or as long as it takes to tidy up) at the end. We would like to offer Torches provision for both our 9.15 and 11am services.

What happens:

You'll be worshipping alongside the kids, and encouraging interaction as needed! Co-leaders at Torches will need to facilitate discussion, interaction, games and prayer with the Torches children. This will involve some preparation in advance.

Time Commitment:

Can you help at one (or even two) of these 5 Sundays?

We would love it if you could help at both services, being at church from 9 to 12.30. But if you can just make one, do just let us know which you can do.

Safe-guarding Commitment

We ask everyone who works with children at All Saints to have a DBS check and to undertake our safeguarding training. First-time training includes two, straightforward online modules, which you can do in your own time (roughly an hour each. Those doing refresher training just need to complete one module). If you haven't already completed this, we'll ask you to do so before your session.
